Duke Smyser Chili Blast Open

60 La Rosa Court

Lafayette, IN 47905

DUKE SMYSER (1941 - 2006)

This event is held annually to commemorate the life of Duke Smyser. Duke was a Lafayette banker for almost thirty years before retiring due to heart disease disability.

A proud Purdue graduate and John Purdue Club member, he actively supported a variety of community organizations such as Mended Hearts and the Hanna Community Center.

Duke also loved golf and spicy foods.

All proceeds will benefit
St. Elizabeth Regional Health's
"Revive & Survive" program,
administered by the Kathryn Weil
Center for Education.

"Revive & Survive" provides
life-saving AED's
(cardiac defibrillators) to
non-profit organizations
throughout Tippecanoe and
surrounding counties.

Heartfelt thanks to you and to our
many sponsors for your kind and
generous support!
