Patient Responsibilities

Your Commitment

- 1 The patient is responsible for providing, to the best of his or her knowledge, accurate and complete information about present complaints, past illnesses, hospitalizations, medications, and other information relating to his or her health. The patient is responsible for reporting unexpected changes in his or her condition to the appropriate practitioner. The patient is responsible for reporting that he or she clearly understands a contemplated treatment or procedure and what is expected of him or her.
- 2 The patient has the responsibility to follow the prescribed care plan of the appropriate practitioner primarily responsible for his or her care. This may include following the instructions of nurses and allied health personnel as they carry out the prescribed care plan and enforce the applicable hospital rules and regulations. The patient is responsible to cooperate with the treatment schedules and appointments and give notification to the appropriate practitioner when unable to do so.
- 3 If a patient refuses treatment or does not follow the practitioner's instructions, he or she is responsible for his or her own actions.
- 4 The patient is responsible for providing information for insurance claims. When necessary, payment arrangements are to be made with the hospital business personnel as promptly as possible.
- 5 It is the patient's responsibility to comply with hospital rules and regulations affecting patient care and conduct.
- 6 Consideration of the right of other patients and hospital personnel and assistance in the control of noise and the number of visitors is the responsibility of each patient. Respect for the property of other persons and of the hospital is expected of each patient.
- 7 If a patient has executed an advance directive, he or she is responsible for providing the Medical Center with a copy.

Patient Complaint Process

You have the right to file a grievance. If you want to file a grievance with Franciscan Health, you may do so by calling the Customer Service Department at (219) 865-2141, ext. 44502 or (219) 932-2300, ext. 34502 writing to the hospital at 24 Joliet Street, Dyer, IN 46311 or 5454 Hohman Avenue, Hammond, IN 46320. A grievance committee will review each grievance and provide you with an initial written response within seven (7) working days. The written response will contain the name of the person your concern was directed to, the steps taken to investigate the grievance, and the name of a person to contact at the hospital. Within 30 days a final written response will be sent to you with the results of the grievance process, and the date of completion.

You also have the right to file a complaint with the Indiana State Department of Health regardless if you use the hospital's grievance process.

You may contact the Indiana State Department of Health in the following manner:
